

Dental Wellness Center

*“Healthy Smiles,
Healthy Lives!”*

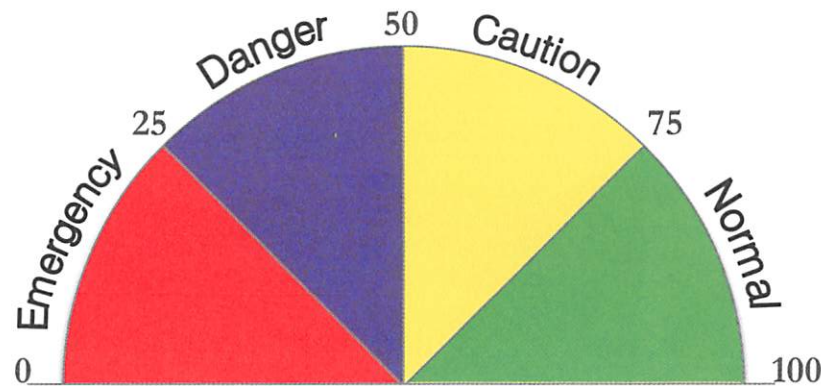

Healthy Body

- Smoking
- Pathology
- Bad Breath / Dry Mouth
- Oro-facial Pain
- Snoring / Apnea

A healthy body begins with a healthy mouth. Research shows that heart disease, diabetes, cancer, pregnancy problems, and breathing problems are all complicated by infection in the mouth.

Healthy Gums

- Bleeding / Inflammation
- Plaque / Calculus
(Subgingival , Supragingival)
- Recession
- Pockets 4mm or greater
- Mobility

Healthy Teeth

- Decay
- Missing Teeth
- Fracture & Restoration
- Infection
- Open Contacts

Beaufils Dental Standard of Care
